GARDEN PARTY

Saturday, 30th May at 3.30 pm

**Cucumber sandwiches
Scones, strawberries & cream**

**Pêche à la ligne et autres jeux
Fun & games**

Chez nos amis Marie-Dominique & Philippe

It was actually at 4.30 pm, to allow for more shade in the garden

Fortunately, it was not as hot as the previous week

when temperatures soared to 37°

but it was still hot at 30°

The garden looked lovely

We set up the games

And had great fun

We won some interesting prizes at the fishing game

and had to guess how many Smarties were in the box

with scores ranging from 295 to 6075 !!!

The answer was 553

and the winner was Thomas with 546

We had a delicious spread

enjoyed by one and all

And had a lovely time with our friends

There were some serious conversations

And some alot more cheeky !

There was a visit from an unexpected guest...

A Scottish Bobby from « Scotland Yard »

Who arrested, handcuffed and took the President in for questioning

But she was soon released ... phew !

A wonderful time was had by one and all
and we cannot wait to do it again next year!

Many thanks to our hosts
and the team

Have a great summer, everyone!
